

WE SUPPORT YOU IN YOUR JOB SEARCH!

FREE WEBINAR

Experts from UBS together with a group of volunteer trainers will share their knowledge and experience with everyone who is currently looking for a job.

We dedicate this edition of the project to, among others, war refugees from Ukraine. Especially for you we have prepared an additional module about the rules of employing war refugees in Poland.

Daniel

Bartek

We offer a two-part, highly practical webinar in which we will tell you:

1. How to identify your strengths and talents and set goals like a professional
2. How to create a CV that your future employer will not be able to resist
3. About the secrets of looking for a job
4. How to prepare for a job interview
5. About labour law- what you need to know as an employee
6. How to work effectively from home

In addition to the webinar, you can benefit from an individual job interview simulation and mentoring (3 individual online meetings with a mentor - a UBS employee).

Webinar dates

19-20 April 2022 Training delivered in Polish

21-22 April 2022 Training delivered in English

What do participants value us for?

Thanks to Career Boosts, I stopped being a passive recipient of offers, I have also received several training assignments (I previously trained others in ICT), as soon as the sanitary situation allowed for the organization of the courses. I know that what seems like a problem can turn into an opportunity at some point and thanks to Career Boost I know how to use them, but I also have more courage.

–Kamil

I was very pleased to meet such interesting people, who shared with us useful knowledge about job search and creating a resume

–Marija

For the commitment of the presenters, their preparation, openness, contact, willingness to answer, encouraging questions, and for the naturalness of their manner and presentation

–Daria

For interactivity. The presenters encouraged conversation and discussion
